

Overhead Stacker Timing Belt

Cost savings vs. OEM replacement

SOLUTION SPOTLIGHT:

MIR provides an exact OEM replacement. The belt is fabricated specifically for your needs at a savings in cost from the OEM.

Raute, USNR, Globe Equipment... and more

- OEM Replacement
- The belt can be made endless, prepared, or have a mechanical splice
- Nylon Tooth supplied for low-friction/less noise
- Any size cover profile and/or pitch can be provided
